YOUR WEDDING DAY

As your wedding photographers, we will be there to capture every beautiful moment from the beginning of the day until the end of the night. Our day starts with capturing the getting ready process, which includes photographing the bride and groom as they get ready for their big day. We will be there to capture all the details, from the dress to the shoes, the rings, and everything in between. We want to ensure that you have beautiful and timeless photos of every aspect of your wedding day. Next, we will document the ceremony. Whether it is a religious ceremony or a civil ceremony, we will be there to capture the important moments, including the exchange of vows and rings, the first kiss, and the walk down the aisle. We will also take candid shots of your guests' reactions & capturing the priceless emotions of the day. After the ceremony, we will take formal and candid photographs of the wedding party and family members. We will also capture the beautiful details of the reception, including the table settings, centerpieces, and decorations. Our goal is to create beautiful and timeless images that you will cherish for years to come. Throughout the reception, we will continue to capture candid moments of you and your guests as you celebrate and dance the night away. From the speeches to the first dance and cake cutting, we will be there to document every special moment.

THE POWER OF PHOTOGRAPHY IS THAT IT TELLS THE STORY OF LOVE. WHILE WORDS MAY FAIL TO FULLY CAPTURE THE EMOTIONS AND BEAUTY OF THESE MOMENTS, PHOTOGRAPHY HAS THE ABILITY TO CAPTURE THEM IN A WAY THAT SPEAKS TO THE HEART.

TESTIMONIAL

"Leni is a talented photographer who I loved the first time I met her. She has a bubbly personality that puts you at ease right from the start. Leni honored us by taking our engagement and wedding photos. She captured EVERY. SINGLE. PHOTO we asked for and even captured the photos I didn't even know I would want. Leni is timely, consistently and takes her time with you. 100% of my bridal party and so many wedding guest commented on how she seamlessly coordinated us and took photos. TESTIMONIAL

"My wife and I were fortunate enough to have Leni be the photographer at a friend of ours wedding and we knew that we wanted her to be our photographer for the big day almost a year later. From the very beginning when we met Leni and her husband Deonta they were an absolute pleasure to work with. We met a few times over the course of that year to discuss our vision and Leni was sure to make our vision and pictures become something we will cherish forever. I know for a fact that my entire friend group will be using Leni Kei Photography when they get married and I couldn't recommend a better person or photographer to capture those incredible moments on your big day. Our pictures are absolutely stunning and if I could give more than 5 stars I absolutely would!"
